

Austral Lock

YARRA SERIES

A division of

Gainsborough
fine quality door furniture

for sliding glass and timber doors

YARRA RIDGE

featuring an offset cylinder for easy operation

YARRA RIDGE - CLASSIC

offset cylinder gives increased knuckle clearance

- Offset cylinder gives increased knuckle clearance to operate key. The cylinder is 37mm from door-jamb.
- Twin counteracting beaks engage an all-metal catch plate, providing resistance to jemmying and restraining the door against being lifted from its rails.
- Self-adjusting catch plate is easy to install and automatically adjusts for movement and door wear.
- A range of outer pull designs are available to suit most applications.
- Anti-slam plunger prevents the door being shut with beaks extended, avoiding damage to beaks and catch.
- Optional 'Fat Pack' to install into doors up to 59mm thick.
- Available in a wide range of colours and finishes.
- Australian design and manufacture.

Door Materials

- Aluminium
- Timber
- UPVC

Door Sizes

Standard lock
21mm - 46mm
with 'Fat Pack'
47mm - 59mm

16mm
catch plate

25mm

YARRA VIEW

featuring a narrow footprint to suit a wide range of doors

YARRA VIEW - **SLIM**

YARRA VIEW - **EDGE**

YARRA VIEW - **CURVE**

- Narrow 30mm footprint suits a wide range of doors, including high strength doors with stiffening wings.
- Interior pull available in 3 contemporary styles : *SLIM*, *EDGE* and *CURVE*
- Twin counteracting beaks engage an all-metal catch plate, providing resistance to jemmying and restraining the door against being lifted from its rails.
- Self-adjusting catch plate is easy to install and automatically adjusts for movement and door wear.
- A range of outer pull designs are available to suit most applications.
- Anti-slam plunger prevents the door being shut with beaks extended, avoiding damage to beaks and catch.
